**Portfolio:**

## PROFESSIONAL SUMMARY

Graphic Designer with 3+ years of experience specializing in print production, branding, and digital design. Strong expertise in production-ready files for large-format printing, packaging, and engraving. Experienced in client collaboration, print workflows, and remote teamwork. Skilled in Adobe Creative Suite and Figma, delivering clean, functional, and visually impactful design solutions.

## WORK EXPERIENCE

- **Graphic Designer – PrintBox (2023 – 2025)**
  - Designed large format indoor materials including banners, sign and retail displays
  - Produced printing ready files for flyers, brochures, business cards, labels, and packaging
  - Prepared technical files for engraving machines with precise dimensions and color accuracy
  - Ensured correct color management, bleed, resolution and print specifications
  - Collaborated directly with clients to translate ideas into production ready design
  - Supported fast paced print workflows while meeting tight deadlines
- **Graphic Designer – InputTheOutput (Remote, 2022)**
  - Designed digital assets for marketing and online platforms
  - Applied brand guidelines to ensure visual consistency across materials
  - Collaborated remotely with international team members and met deadlines
- **Sales Assistant – Oisho, Azadea (2023)**
  - Assisted customers and supported sales operations
  - Maintained product displays and customer satisfaction
- **Babysitter (2018 – 2025)**
  - Provided childcare for children aged 0–10
  - Supported educational and creative activities
- **Kindergarten Teacher – Colonie Mar Abda, Deir El Kamar (2018 – 2019)**
  - Taught English, Arabic, French, Math, Science, Sports, Dance, and Drawing

## **EDUCATION**

- Bachelor in Graphic Design – Art, Sciences and Technology University in Lebanon (2021 – 2025) -GPA: 3.0
